It is a matter of immense pleasure and pride that the Rajasthan High Court has completed its 75th year of successful and productive existence, as today we all are holding the concluding Ceremony of celebrating its Platinum Jubilee. This is really a momentous and glorious occasion for all of us. To make this memorable, High Court and Bar Association has put in place various seminars, programmes and activities with a view to not only refresh the memories attached with this institution, but to express our gratitude for the commendable services and significant contributions made by all stake holders

in upholding the constitutional values and the rule of law ensuring judicial independence.

All these virtues have taken this Institution to a greater height. It would also be an occasion and opportunity to introspect, learn from the past experiences and plan for times to come.

Rajasthan is one of the most colorful and vibrant States, which is deeply rooted in its dynamic past. With its opulent palaces, historic forts and plethora of cultural offerings, it wins over hearts at first glance. It is the land of warmhearted, generous and passionate people.

It is my good fortune to witness that Rajasthan High Court is celebrating its 75th year of existence. On this auspicious and historic occasion, I extend my heartiest congratulations to august gathering and legal luminaries.

The discussions, deliberations and views expressed, shared and exchanged by and with the distinguished dignitaries. who are here and will always be there to share their thoughts, will certainly guide and inspire us all to achieve the pinnacle in serving the society; ensuring equal justice to all, particularly to the vulnerable and disadvantaged sections; and achieving the cherished values of our Constitution.

We also recognize the invaluable support of the court staff, legal practitioners, and everyone who has played their role in the administration of justice.

In conclusion, let us celebrate this Platinum Jubilee not only as a moment of reflection but also as a call to action. May the Rajasthan High Court continue to shine as a beacon of justice, guiding us towards a future where the rule of law remains a pillar of our democratic society.

I, consider it to be a great honor and proud privilege on the occasion of concluding ceremony. On behalf of all the members of the Lawyers' Association, I would like to extend my heartfull thanks to the distinguished and dignified galaxy of Judges present here, especially our dynamic and ever energetic the Chief Justice of Rajasthan - Shri M.M. Shrivastava Saheb, the Captain of Ship and Hon'ble Judges of our High Court. The Association shall always remain indebted to them, as despite their tight and busy schedule, they participated and organized various events and spared their precious time to grace all the events.

As an Institution, our duty and our work should be to pursue the noble cause of dispensing justice and to live upto the motto of “**Satyameva Jayate**”.

**Thank You.**

**Jai Hind.**
